

CONSTITUTION FOR WORLD CHILD CARE VISION (WCCV)

The brain child of human ideas was generated during conversations on multiple meetings, culminating in the survivors and good welfare of the children in the world. We should mention that most of the source of inspiration happened after realizing the suffering of WAR, HIV/AIDS and Malaria survivors in Africa. That caused high rat number of ORPHANS AND WIDOWS, which inspired us to create WORLD CHILD CARE VISION as the solution to these problems.

BACKGROUND

The children are estimated to be half of world's population.

The world's inadequate social-economic, education and health are the major problems that are affecting the children, as many of them are still unable to achieve the above problems. We need to join hands with others to find solutions to their problems.
